Avonwick and North Huish Community Hall Project
Report to Annual Parish Meeting 2016

During the past twelve months significant progress has been made largely due to the Awards for All grant funding which permitted the following to be commissioned and completed:

- The Community Survey Report Published
- The appointment of an Architect and Solicitor
- An initial Hall Floor Space Assessment
- A site Constraints Desktop study
- A legal Review of site constraints
- A Capital Funding Plan
- An Initial Pre-Application Meeting with SHDC Planners and DCC Highways to clarify requirements for the development of the site
- An assessment of the options on the site for the Hall and Parking Layout

The committee has both gained and lost members during the year and really needs some more people to come forward to help keep the project moving forward.

Last September the successful Apple Pie Fair raised more than £700 for the project. Plans are in hand for another Apple Pie Fair on 18th September.

The community website is currently being refreshed.

The committee appreciates the endorsement of the Parish Council for the work so far achieved and it looks forward to significant progress in the year ahead.
